

# V-Series Property Management Rebate

Replacements:  
An Untapped Market

All-In-One HVAC Systems

We are pleased to offer a Property Management rebate for MagicPak V-Series (HWC & EWC) replacement units! The property management company will **receive a rebate of \$100 per replacement unit.**

# 100% FREE TO DISTRIBUTOR AND DEALER

## STEPS

1. Gain approval from your Specified Products Manager
2. Visit existing properties and let them know about the program.
3. On a quarterly basis summarize invoices and units shipped to each property manager and submit separate claims to the Marketing Vault.
4. Distributor submits claims to the marketing Vault using Rebate / MagicPak Replacement Activity type
5. Distributor will receive a credit to process funding to the property manager.
6. Allied will audit claims for eligible units, shipment qty and dates, eligible customers, etc. Allied will provide credit to the distributor who must then provide credit to the property managers. Proof of paying property managers will be required before any additional claims can be processed.

All replacement units must be purchased through an approved MagicPak distributor. Proof of order date and number of qualified units must be submitted to Allied. The amount of the total rebates earned will be paid within 60 days of receipt. This promotion cannot be combined with special contract pricing or other programs. Promotion is valid from 1/1/2023– 12/31/2023.
