

NEW 20% Discount !

Save Water and Money Every Month

What is a Rachio Smart Controller?

A Rachio smart controller is a great way to keep your lawn looking lush while conserving water. Easy to install.

Rachio creates tailored smart schedules based on the specific needs of your lawn, including plant type, soil type, sun exposure, and more, for custom and worry-free watering. Automatically adjusts for the weather and season to avoid unnecessary watering while keeping plants healthy. Save 20%-50% on your monthly outdoor water bill.

Liberty US customers are eligible to purchase a Rachio 8-zone or 16-zone Smart Sprinkler Controller at a discounted price for a limited time. Offer expires December 31st, 2025

Use promo code LIBERTY20 and enjoy a 20% discount at check out!

Save water, save money and relax and enjoy your new Rachio Smart Controller
